

## EXTENDED WARRANTY

It is an unfortunate reality that car troubles never seem to happen when they are convenient for you and are often accompanied with expensive call-outs. However, now you can protect your vehicle and yourself from budget busting repair bills with a quality mechanical breakdown warranty that is designed to offer you the McCarthy client, financial peace of mind as well as roadside assistance when it's needed most. McCarthy EXTENDED WARRANTY, provides protection for vehicles with a GVM of less than 3500 kg provided that in every instance —

- The vehicle is sold by a McSure approved McCarthy Motor Holdings franchise dealer.
- The vehicle is still subject to the manufacturers new vehicle warranty at the time of purchase of this policy by the insured;
- Documentary proof of service records (if applicable) as per the manufacturers requirements are available;
- The vehicle has not been altered or modified (including V.6 and turbo conversions);
- The vehicle is not operated as a taxi or used for racing or rallying.

### Period of Insurance

#### **Passenger and Light Commercial Vehicles**

The policy is in force from the inception date with cover commencing upon expiry of the manufacturers new vehicle warranty and runs for a period of 2years with unlimited kilometres.

### Limits of Liability

The liability limit in respect of any one claim for repairs covered under this policy will be limited to the cost of repair or replacement of the defective part, including installation costs. The maximum limit of indemnity for all claims under the policy for anyone period of insurance will be limited to the purchase price of the vehicle.

## Exclusions and Cancellations

All components & parts not described as covered items listed under components and parts covered as per the policy document (full policy document available for review). For further clarity on exclusions and items not covered by the policy, refer to important information on exclusions as listed on the back of this guide.

This policy may be cancelled during the period of insurance, however a pro-rata premium refund less reasonable costs incurred shall only be considered on request for cancellation and will be subject to the following:

- i) The request to cancel the policy must be received in writing by McSure.
- ii) No claims have been submitted or have been paid under the policy.
- iii) If the policy has been financed by a bank, or financial institution, or forms part of a suspensive sale agreement, the refund will be paid to that bank or financial institution

## Additional Policy Benefits

Wear and Tear:

Mechanical or electrical breakdown is deemed to mean the sudden and unforeseen actual breaking or burning of the components and parts listed, however, should the failure of a covered component or part be attributed to fair wear and tear, the liability benefit in terms of the policy will be limited to half the repair cost.

Overheating:

Where engine failure is attributed due to overheating occurring as a direct result of a covered component or part, the liability benefit in terms of the policy for the resultant engine damage will be limited to half the repair cost.

Timing Belt:

Where engine failure is attributed due to breakage of the timing belt, which is subject to the timing belt having been serviced/replaced as per the manufacturer's requirements, the liability benefit in terms of the policy for the resultant engine damage will be limited to half the repair cost.

Transfer of Warranty:

This policy (subject to the terms and conditions) is transferable to one subsequent owner for the balance of the warranty period, provided that the vehicle has been sold privately or through a McCarthy Selling Dealer.
